

The Commissioners' allocated and approved ARPA funding to purchase emergency radios for Police Departments, Fire Departments and Ambulance Services. Updating older radio technology would improve communication with Emergency Services and allow for improved Public Safety for the entire County. For Police and Fire Departments, the County will pay 80% and the Department will match 20%. For the Ambulance Services, it was 50% County, 50% Ambulance Service.

Category	Amount
Beaver County	\$7,381,611
Fire Departments	\$696,567
Police Departments	\$229,450
Ambulance Services	\$157,062
Total spent for Radios	\$8,464,690
