The Ambridge-Aliquippa Bridge, (officially named the Ambridge Woodlawn Bridge) will undergo a safety inspection during the week of August 10, 2015.

For this annual inspection period, vehicles on the bridge will be restricted to one lane of traffic during daylight hours. Traffic delays should be anticipated. Inspection work will be conducted during the entire week of August 10 through August 15, 2015.

Professional services for this project are provided by the Bridge Safety, Inspection & Maintenance Division of Larson Design Group.
