Beaver County Commissioners Announce Archery, Flintlock & Goose Hunting in Parks

The Beaver County Commissioners are pleased to announce the 2016-2017 hunting schedule for selected areas of Bradys Run, Brush Creek and Old Economy County Parks.

"We've heard from many residents that they look forward to this each year. Beaver County is proud to make our parks available for hunters to enjoy their sport in a safe and responsible manner," said Sandie Egley, Chairman of the Beaver County Board of Commissioners.

Any individual wishing to hunt in our parks must bring a current Pennsylvania Hunting License to the Bradys Run Recreation Facility/Ice Arena, complete required registration and release forms and pay a \$ 5.00 per hunter fee. Registration begins on Tuesday, September 6, 2016. The office will accept registrations from 8am-11pm.

"This is another way for our residents to enjoy our parks year round. Our staff will be available to help the registration process run smoothly and to answer any questions that hunters may have," said Commissioner Dan Camp.

For safety reasons, no hunting will be permitted along park roads and in main visitor areas, such as picnic and shelter areas, around swimming pools, walking trails, etc. Additionally, no permanent tree stands will be permitted in any park.

"This is a great way for hunters of all ages to safely utilize the abundant natural resources available in Beaver County and to also support a proud tradition that many of our residents enjoy," added County Commissioner Tony Amadio.
