- Exhibit professional work habits including reliability, dependability, creativity, and demonstration of enthusiasm for the job

- Must be able to work well with people of all ages and dispositions

WORK PERMITS

All high school students under the age of 18 who have not graduated from high school must obtain a work permit from their school in order to gain employment with the County. You can get a work permit application from your school.

Once the work permit is issued it will need to submit a copy to the Human Resources Office at the Courthouse. You will not be permitted to work without a valid work permit. Take your work permit to your physical appointment so the doctor can complete the medical section.

PERFORMANCE APTITUDES

Metal Demands: Requires the ability to handle stress along with the ability to deal with interruptions and to stay on task.

Human Interaction: Requires the ability to apply principles of persuasion and/or influence along with strong customer service skills.

Physical Ability: While performing the duties of this job, the employee must have stamina to sit and/or stand for long periods of time; use hands to operate objects; and reach with hands and arms. The employee must have the ability to routinely lift objects weighing as much as 20 pounds, occasionally lift objects weighing as much as 50 pounds or assist in lifting objects in excess of 300 pounds. Specific vision abilities required by this job include close vision to read written materials and computer screens, the ability to adjust focus, and hearing and speech to communicate associated with it.

Environmental Factors: Tasks are regularly performed with exposure to adverse environmental conditions, such as weather, pool chemicals, dirt, dust, pollen, odors, fumes, machinery, vibrations, electric currents, animals/wildlife, toxic/poisonous agents, violence, disease, or pathogenic substances. The noise level of the work environment will range from low to high.

Situational Reasoning: Requires the ability to exercise the judgment, decisiveness and creativity in situations involving a variety of generally pre-defined duties, which are often characterized by frequent change.
