

Municipality	Project Description	Requested Amount	Awarded 1/2022
<i>Aliquippa Municipal Water Authority</i>	Hollywood Area Sanitary Sewer Replacement Project	\$400,000	\$2,000,000
<i>Aliquippa Municipal Water Authority</i>	Monaca Interconnect Project	\$4,245,376	
<i>Aliquippa Municipal Water Authority</i>	Todd Road Waterline Extension Project	\$750,000	
<i>City of Aliquippa</i>	Plan 11/Fifth Avenue Hill Project	\$2,500,000	\$2,500,000
<i>Ambridge Borough</i>	Replacement of Catch Basins and Stormwater Pipes	\$353,659	\$353,659
<i>Ambridge Municipal Authority</i>	Wastewater Treatment Plant settling tanks	\$932,000	\$565,000
<i>Ambridge Municipal Authority</i>	Replacement Equipment for the Wastewater Treatment Plant pump equipment	\$207,424	
<i>Ambridge Municipal Authority</i>	Replacement of Existing Lighting Fixtures and Bulbs	\$179,360	
<i>Ambridge Municipal Authority</i>	Complete Planning/Assesment of the Authoritys Sanitary Sewer System	\$373,652	
<i>Ambridge Water Authority</i>	Water Storage Tanks	\$1,300,000	\$433,000
<i>Baden Municipal Authority</i>	Sanitary Sewer Between SR65 and CSX Railroad Track	\$480,000	\$387,000
<i>Baden Municipal Authority</i>	Replacement of the Wastewater Treatment Plant Screening Mechanism	\$400,000	
<i>Baden Municipal Authority</i>	Cured in-place Lining of Sanitary Sewer on Schiller Street between SR 65 and Straube Avenue	\$280,000	
<i>Borough of Baden</i>	Rehabilitation Work on Water Storage Tanks	\$440,000	\$204,000
<i>Borough of Baden</i>	Replacement of SCADA System	\$64,000	
<i>Borough of Baden</i>	Replacement of Stormwater Inlets	\$108,800	
<i>Beaver Borough</i>	Repairs to Beaver Borough Storm Sewer System	\$340,000	\$127,000
<i>Beaver Borough</i>	Planning Study and conceptual design for beaver borough New storm sewers	\$40,000	
<i>Beaver Borough Municipal Authority</i>	Treatment of Drinking Water	\$2,000,000	\$767,000
<i>Beaver Borough Municipal Authority</i>	Replacement of Lead Service Lines	\$300,000	
<i>Big Beaver Borough</i>	New Sanitary Lift Station	\$336,000	\$205,000
<i>Big Beaver Borough</i>	Replace Lift Station in Borough of Homewood	\$280,000	
<i>Beaver Falls Municipal Authority</i>	Replace lead service lines	840,000	\$840,000
<i>Brady's Run Sanitary Authority</i>	New Lift Station to support the anticipated growth in Chippewa Twp. and Big Beaver Borough	\$4,820,000	\$1,250,000
<i>Brady's Run Sanitary Authority</i>	New Lift Station to support the anticipated growth along the Route 51 Corridor	\$4,720,000	
<i>Brady's Run Sanitary Authority</i>	Rebuild the existing and outdated trickling filter system	\$3,000,000	
<i>Brady's Run Sanitary Authority</i>	Upgrades to the Walnut Bottom lift Station	\$1,900,000	
<i>Brady's Run Sanitary Authority</i>	Rebuild the existing and outdated secondary clarifier system	\$1,900,000	
<i>Brady's Run Sanitary Authority</i>	Upgrades to the South Beaver Lift Station	\$1,400,000	
<i>Brady's Run Sanitary Authority</i>	Upgrades to the Route 51 Lift Station	\$1,400,000	
<i>Brady's Run Sanitary Authority</i>	Upgrades to the Wallace run Road Lift Station	\$983,000	
<i>Brady's Run Sanitary Authority</i>	Upgrades to the Lakeview Lift Station	\$638,000	
<i>Brady's Run Sanitary Authority</i>	Foremain from the South Beaver Pump Station under Route 51 to open up the 51 Corridor for development	\$534,000	
<i>Brady's Run Sanitary Authority</i>	Upgrades to the Stellrich Lift Station	\$165,000	
<i>Brady's Run Sanitary Authority</i>	Upgrades to the Big Beaver Lift station	\$165,000	
<i>Brady's Run Sanitary Authority</i>	Upgrades to the Lipenwood Lift Station	\$112,000	
<i>Bridgewater Municipal Authority</i>	Kindleberger Pump Station Improvements	\$320,000	
<i>Bridgewater Municipal Authority</i>	Elm Street Pump Station Improvements	\$252,000	
<i>Brighton Township</i>	Permanent modifications to the Beaver Woods Stormwater Detention Facility	\$612,000	\$204,000

Brighton Township Municipal Authority	Water Line Replacement	\$696,600	\$527,400
Brighton Township Municipal Authority	Water Tank Painting	\$885,600	
Brighton Township Sewage Authority	Maple, Cypress, Magnolia Sewer	\$480,000	\$247,000
Brighton Township Sewage Authority	Hemlock Sewer	\$260,000	
Center Township	Center Township Center Commons Blvd. Stormwater Pond Improvements Project	\$320,000	\$107,000
Center Township Sewer Authority	Chapel Road Interceptor Upgrade Project	\$960,000	\$320,000
Center Township Water Authority	Brodhead Road Waterline Replacement	\$2,491,000	\$830,000
Conway Borough	11th Street Waterline Project	\$331,528	\$176,000
Conway Borough	10th and 3rd Waterline Project	\$196,088
