## RECYCLING INSTRUCTIONS:

**PLEASE NOTE – All Recycling materials may be dropped off during operating hours: *Leaving materials at the Center when it is not open will result in a littering fine. Help us keep Brady's Run Park clean.***

Monday, Tuesday, Thursday – (8:30 AM – 3:30 PM) Wednesday – (Noon – 5:00 PM)

Select 3<sup>rd</sup> Saturdays of the month – (8:30 AM – Noon)\* Check the Recycling Calendar.

Please keep in mind that we can only take those items that are currently being accepted by the processors of our recycled materials. Placing inappropriate items in the containers based on “hopeful” or “wishful” thinking, defeats the purpose of everyone’s effort, also causing wasted time and contamination of the accepted materials. In some cases, this results in a complete loss of the bin contents, which is unfair to all. Please do your part to stay educated on what we accept and how it is to be prepared for drop off at our center. Also, in the recycling world, “cleaner” (within reason) is always better than dirty.

If you have questions or concerns, please call (724) 770-2064, or ask the recycling technician on duty. We take pride in our county recycling center, one of the very few county-run recycling facilities in Pennsylvania, and we hope you do too!
