

**NOTICE FROM BEAVER COUNTY BOARD OF ELECTIONS
REGARDING CANDIDATES REMOVED FROM BALLOT**

**CANDIDATES REMOVED FROM THE BALLOT
BY COURT ORDER**

Candidate Name	Office Sought	Political Party Impacted
William Parker	United States Senate	Democratic
Joseph Vodvarka	United States Senate	Republican

Beaver County finalized its ballots for the April 23, 2024 General Primary election on March 14, 2024, prior to the time when all litigation on objections to nomination petitions was resolved. Finalizing of the ballots was required at that time to ensure that proper testing could take place prior to immovable print deadlines, and that all ballots (whether voted on election day or by mail) would be able to be tested before distribution.

The courts ordered several candidates removed from the ballot after Beaver County finalized the ballot for printing. As a result, the previously listed names appear on the ballot even though these names were not certified by the Secretary to appear on the ballot and should not appear on the ballot.

If you mark your ballot for the above-named candidate in this race, that vote will not be counted. If a voter wishes to cast a vote for either candidate, they must write the candidates name in.
