Commissioner Amadio made the motion for a-f to open for discussion. Controller Longo seconded the motion. Controller Longo stated that all of these raises total \$66,000 but the old position that is being replaced and left vacant was costing the county \$103,000 which will save us \$70,000 but it doesn't save the county money until we close the IT position #9680-1082. Chief Technology Officer Tusick said his opinion is to close it now, IT is taking over the work, and his plan is to take over CYS IT when John Barkus retires. Controller Longo asked if there was confirmation that the money will come from DHS. CTO Tusick stated that is was confirmed but he is unsure of how they are going to do it. Controller Longo stated that they need to figure out how they want to do it so the General Fund is not getting incurred. Director Jones said she will work with Director McCoy to see if it is a PAN form or documentation from her. Controller Longo questioned about over-time. CTO Tusick stated they do not work over-time, they get comp time.
