Important Information about this Directory

This is the 33rd annual edition of the Beaver County Government Directory. Changes herein reflect the results of state and local judicial elections and municipal and school-board elections in 2023 as well as interim appointments on the local level.

Area Codes

To avoid unnecessary repetition and consumption of space in this directory, all telephone numbers in our “724” Area are expressed in seven digits without the Area Code. You must dial ten digits with the “724” Area Code with all these numbers. All numbers outside the “724” Area are published with an Area Code, including “412” numbers assigned in neighboring Allegheny County.

New Courthouse Phone Numbering

The Beaver County Courthouse telephone system was modernized in 2009 to allow direct dial to most locations. Dialers are now able to reach court house personnel by dialing the **724** Area Code plus a prefix of **770** and a four-digit extension.

Some phones, such as fax lines, remained unchanged since they are independent lines. Other numbers remain the same in some offices located elsewhere in the county. Those telephone numbers in this booklet are fully displayed.

For personnel not listed in this directory, callers may still dial the county main number at **724-728-5700** and request operator assistance to connect to an individual’s phone.

Municipal Populations

Populations are listed according to the Year 2020 Census.

County E-mail Addresses

A county employee’s E-mail address includes the individual’s user-name followed by the mail server name which is

“[user-name]@beavercountypa.gov”.

The user-name is composed of the first initial of the person’s first name followed — without a space — by the person’s last name, regardless of the number of letters needed. All letters should be in lower case (no capital letters).

So, an example of an E-mail address for Election Director Colin Sisk is:

csisk@beavercountypa.gov

This directory contains many thousands of entries, all carefully inserted with an eye to accuracy. Should you see anything which may need correcting or updating in a subsequent edition, please contact either:

MUNICIPAL GOVERNMENT

in

Beaver County

Listings of elected and appointed officials, including mayors and municipal boards, solicitors, engineers, tax collectors, auditors and constables.

Notes

1. Since most elected officials are sworn into office in the first week of January following their election, their terms of office listed herein designate the last full year of service in their current terms.
2. To accommodate printing deadlines, officials appointed to office after the first week of February cannot be listed.
3. Items of information not available are expressed as “(N)” in listings. Unlisted telephone numbers indicated by “(U).”
4. No party affiliation is given for those individuals appointed to fill vacated elective offices on municipal boards; they are designated as “Appointed.” The year they must run to remain in office is provided in the “Term Expires” column.
5. Telephone numbers located in the “724” Area Code are expressed only by their 7-digit numbers to avoid unnecessary repetition in the listings. Local callers are reminded that all telephone numbers in southwestern Pennsylvania including those in the “724” Area Code must be dialed with the 3-digit prefix, regardless of the location of the caller.

All phone numbers in this directory must be preceded by Area Code 724 unless otherwise specified.

EDUCATIONAL AGENCIES

in

Beaver County

Separate listings of Beaver Valley Intermediate Unit and all school districts in alphabetical order, each including elected school-board members, solicitors and tax collectors, where applicable.

Notes

1. Since most elected officials are sworn into office in the first week of January following their election, their terms of office listed herein designate the last full year of service in their current terms.
2. To accommodate printing deadlines, officials appointed to office after the first week of February are not listed.
3. Items of information not available are expressed as “(N)” in listings. Unlisted telephone numbers indicated by “(U).”
4. No party affiliation is given for those individuals appointed to fill vacated elective offices on school boards; they are designated as “Appointed.” The year they must run to remain in office is provided in the “Term Expires” column.
5. Telephone numbers located in the “724” Area Code are expressed only by their 7-digit numbers to avoid unnecessary repetition in the listings. Local callers are reminded that all telephone numbers in southwestern Pennsylvania including those in the “724” Area Code must be dialed.

All phone numbers in this directory must be preceded by Area Code 724 unless otherwise specified.
